Sixth International Symposium on the Geochemistry of the Earth’s Surface (GES-6)

GUIDELINES FOR ORAL PRESENTATIONS

1. General Information
With submission of your abstract to the Sixth International Symposium on the Geochemistry of the Earth's Surface (GES-6), you agreed to present your abstract on the day and time assigned by the Program Committee. Click here to access the Symposium Schedule and Technical Program.

2. Paper Presentation
Oral presentations will be held in the Keoni Auditorium (street level) of the Hawaii Imin Conference Center (East-West Center). Two sessions will be held per day, except for Thursday when a fieldtrip is scheduled in the afternoon.

3. Audiovisual Equipment
Audiovisual equipment available for presenters include double screens, overhead projector, slide projector and trays, LCD projector connected to Windows- and Macintosh-based computers (with CD-ROM, floppy, and ZIP drives), and a laser pointer. Technical assistance will be available for those who would like to connect their own computers to the LCD projector. To request for other equipment not listed here, please email the Secretariat at ges6@soest.hawaii.edu

4. Secretariat's Office
The Symposium Secretariat's Office will be located on the 2nd Floor of the Hawaii Imin Conference Center (East-West Center) throughout the entire week of the Symposium. Windows- and Macintosh-based computers, printers, and copy machines will be available for participant’s use at this Office. Symposium staff will also be available to assist you at the Keoni Auditorium during each session.
